

DD2 8-8 600W Blower

Features

Our Direct Drive twin blowers suit many residential HVAC and commercial applications where high static pressure and medium air volumes are required, including air conditioning or ventilation systems, fan coil units or gas ducted heating.

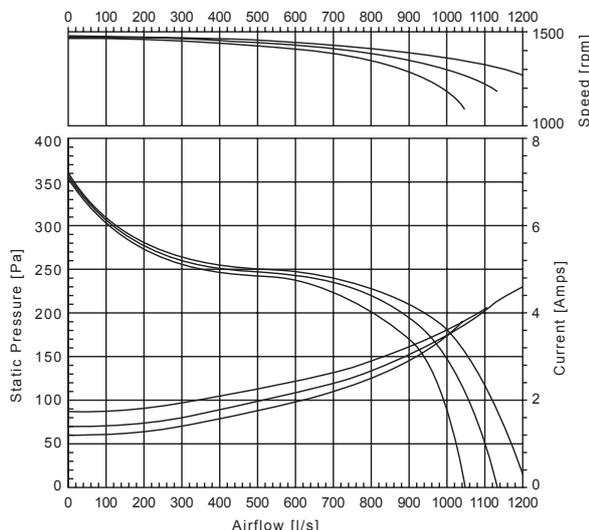

Markair Components also carries a large number of replacement parts for Direct Drive blowers, including fan wheels, motors, capacitors, mounting brackets and feet, providing cost effective replacement solutions for older installed blowers.

Dimensions

	A	B	C	D	E	F	G	H	I	J	K	L	M
